the oppression of people on the basis of their class, race, sex, gender, gender expression, ethnicity, sexual orientation, and other attributes. Examination of issues related to the rights of children has long been an issue of examination and reexamination by the U.S. Supreme Court. The Court has consistently grappled with the question of how to treat children in the justice system in a way that best promotes the Court's overarching purpose and prioritizes the best interests of children. United States v. Ashcroft, 538 U.S. 119 (2003), is considered to be one of the most influential justices of his time. Black was a constitutional absolutist on First Amendment issues.
